

“I’m not a pencil pusher.  
I’m an envelope pusher.”

*I push the envelope because I don't believe in the accountant stereotype. Just because our accountants are good with numbers doesn't mean they don't enjoy having fun. That's why we make the lives of our accountants more enjoyable, both on the job and off. At FAL, you'll be challenged daily but rewarded just as often.*  
-Ronnie Sloan, President, FAL
